

From economic to environmental and social aspects of small diameter wood utilization.

The pathway for efficient utilization of small diameter wood

JOIN US AT THE INTERNATIONAL CONFERENCE TO LEARN MORE ABOUT THE MAIN RESULTS AND ACHIEVEMENTS OF THE SMALLWOOD PROJECT.

1st of June 2022, Uppsala, SWEDEN

The final conference will be organized as a hybrid event (on place and on Zoom).

9:00 - 9:30	The arrival of participants and morning gathering with coffee
9:30-10:00	SMALLWOOD project – main ideas and goals – Tomas Nordfjell
10:00-12:00	Harvesting productivity and cost in small diameter stands
	1. Productivity studies of accumulating felling head (Bracke C16.c)– effects of boom-corridor thinning (Dan Bergström)
	2. Bush harvesting, pilot studies on Retrobio and Biobaler (Eduardo Tolosana)
	3. Small diameter stands harvesting and supply cost analysis – (Matevž Triplat)
	Questions and Discussion
12:00-13:00	Lunch break
13:00-13:45	Environmental and fire risk assessment of small diameter stands managements
	1. Environmental assessment (Teresa Fuente)
	2. Fire risk assessment (Ruben Laina)
	Questions and Discussion
13:45-14:30	Socio-economic aspects of the small diameter stand management
	1. Private forest owners' perception (Thomas Kronholm)
	2. New or enhanced novel business models (Zdenka Ženko /Damjan Mumel)
	Questions and Discussion
14:30-15:00	Coffee break
15:00–15:45	Overall analyses of the economic, social and environmental values of the small diameter stand management
	Assessing the multi-dimensional sustainability and value creation of Small diameter stands harvesting (Satu Helenius)
	Empirical findings on the sustainability analysis of Small diameter stands harvesting in Finland, Slovenia, Spain, and Sweden (Teppo Hujala)
15:45 – 16:15	The way forward, general discussion and conclusions - Tomas Nordfjell

ForestValue

The conference is organized as part of the SMALLWOOD project and is free of charge for all participants. For more information, please contact project coordinator Tomas Nordfjell by email: tomas.nordfjell@slu.se

For technical reasons, please register for the conference by 25th of May 2022.

To register, click here: [Registration form](#)

The link for Zoom will be sent to all registered participants one day before the conference.

The conference will be held at: SLU Ultuna, Loftets hoersal, Duhrevaegen 8B (Ladugården)."

Ultuna is located a few kilometres south of Uppsala city centre.

We look forward to meeting you at the final conference

Prof.dr. Tomas Nordfjell
Project coordinator
